

## Australia Day Celebrations - What the community told us

### Key Activity Area 2: A creative, learning and diverse Marrickville

- more local shopping, food street hubs, similar to Petersham
- wheelchair accessibility
- English language classes at the library
- introduce Indonesian languages and culture in Australia
- should be learning other languages in every school
- better advertising of community activities on Council's website
- art classes for kids, in different venues, with affordable prices
- creative dancing classes for kids
- better library facilities
- more libraries in the area
- create artist communities in disused warehouses and industrial space (subsidised artist studios); open them up to the public on the weekends
- a community college venue
- encourage use of smaller businesses for meat, fish and fresh food produce (not in supermarkets) – more sustainable and less waste. Make it easy to shop, i.e.: parking
- free educational tutoring for kids
